

Willard Sorority News and Dues

It is starting to look like spring so it must be time for the Willard News and Dues! We hope this letter finds you all well and enjoying the spring weather. This year Willard will be celebrating our **135th anniversary**.

We are in the process of planning a summer event at the house that may include a sleep over and a fund raising event. There will be more information announced at the spring luncheon which will be held on April 14th at 11 am at Hillcrest Country Club. Watch for more information on our Facebook page and in the Warbler. You can send your reservation with your dues or email me at Judykrueger4@gmail.com.

We have 16 graduating seniors whom we will honor at the luncheon. We hope you can join us as it is so fun to hear about the senior women and their accomplishments and plans for the future. They will each receive a senior gift which is paid for by your dues and donations. A keepsake that they can take with them as they move on from Willard and Wesleyan.

The house is in pretty good shape. We have 58 Active members and 6 new members who will activate on March 15th. There are 25 women living in the house. The Actives and the Alumnae that serve on the Corporation and Foundation want to thank you all for your continued support through your dues. This small yearly gift helps us maintain our beautiful house, pay

the House Mom's salary, give members scholarships for getting 4.0 GPA as a reward for working hard during the semester.

This year your dues are especially crucial as our real taxes on the house have increased 251%! Yikes! We use your generous donations for lots of things that the House needs. We are thinking about new carpet. Donations to the Foundation are really appreciated as we use the money for scholarships to women who need extra help to pay tuition. College only continues to get more expensive and, as you know, many women take out extra loans to pay tuition. As an Alumnae group we work hard to make sure your dues and donations are put to good use.

Our goal as an Alumnae Association is to maintain strong Willard connections through the Warbler, Facebook [WillardSororityAlumnae](#), and the Website [WillardSorority.org](#).

Please keep in touch with Willard by sending in your news for the Warbler. New baby, new grandchild, new job, retired, moved to a new home! We always love to hear what is happening in your life.
