

Willard Sorority News and Dues

Willard is having a wonderful year. Even though enrollment at Nebraska Wesleyan was down this year we welcomed new members to Willard Sorority. We also welcomed a new house mom, Terry Dannatt. She is very enthusiastic and the women seem to enjoy being around her. She makes the Willard house seem a little more like home when she decorates for every holiday and greets all the women by name.

Now comes the fun part. Every year your dues and donations help us maintain a wonderful living space for the women of Willard. This year we had to do extensive repairs to the plumbing on second floor. Old house, many issues. And our property tax assessment went up 274%.

Your support this year will be a huge help to us. There are multiple ways to pay your dues and donations. You can pay by mail, on our website Willardsorority.org and through Venmo account @Willard-Alum-1. Our goal as an organization is always first and foremost to connect with Willards everywhere, to keep them informed about Willard sorority and NWU and to support the women of Willard in their college journey. This year it is especially important for us to maintain and improve the physical building.

To stay connected to Willard, please join us for Red Velvet Cake night at the house Monday, Feb. 20 at 7 pm. You are also invited to The Alumnae/Parent spring

luncheon Sunday, March 19th, 11:30 am at Hillcrest Country Club. We have not been able to get together to support our seniors and women with academic success and to meet the Willard actives for several years and we want to have a big group in attendance.

For those who are unable to attend, watch for the *Willard Warbler* in your email or mailbox in July. Or follow us on our Willard Sorority Alumnae Facebook group or our website Willardsorority.org. Be sure to send us your news by mail or by email to Willardsorority@gmail.com. We have over 1200 alumnae all over the United States and the world and would love to hear from each and every one of you.

Judy Bowmaster Krueger '72, Alum President
Judykrueger4@gmail.com

From the Corporation President

Your Willard Corporation needs your financial help. We encountered an unexpected plumbing issue that cost us \$15,000. The census in the house as been low. We only had 28 Willards living in the house first semester and just 26 this semester. We would be so appreciative if you could pay your dues and perhaps add an extra monetary gift to Corporation.

Thanks and take care.
Nora Hinrichs
